Genesis Project has never facilitated a Career Expo. But, of course, I am willing to facilitate. And of course I am and always willing to work with any business with the same interest.

Genesis Project/Groundwater Solutions is in need of hiring for the positions listed below. We currently have an ad on Zip Recruiter. I don't know that process. HR is handling that.

I am looking at the Career Expo to assist in the hiring.

This is Genesis' need:

- \* Therapists (LCSW, LCMHC, LMFT, LCAS, and Associates)
- \* Certified Peer Support Specialist

Any ideas, references, referrals, please let me know.

Thanks,

Sylvia L. Grier
