Train for Your Next Career

Goodwill offers a wide variety of job training courses through its training division, [Goodwill University](#). These job training courses are designed to help you develop the skills you need to launch your next career, and they are all offered free of charge, thanks to the community's donations and purchases. Several of our job training courses are currently enrolling participants, or have upcoming enrollment periods.

NEW Basic Computer Courses

Basic computer skills are a must-have for many jobs today. Goodwill offers two basic computer training courses that will teach you fundamental computer tasks and navigation. Intro to Computers is a one-day beginner's workshop, and Computer Essentials is a new three-day course that dives a bit deeper. There are upcoming training dates in March and April.
