Steve — here are three things you should know about Dirt Road PAC.

1. Jaime Harrison created Dirt Road PAC to make sure we're communicating with people who have been left out from the political conversation and to build a base of support that Democrats have traditionally overlooked.
2. We're investing in Democratic candidates running for office at all levels of government because we can't achieve real change without elected officials fighting for all Americans at every level.
3. We're starting a week of Senate confirmation hearings for Judge Ketanji Brown Jackson's nomination to the Supreme Court and we're counting on supporters like you to chip in to help us respond to the inevitable Republican attacks.

[So, Steve, can you pitch in \\$10, \\$25, or even \\$50 right now to help us prepare our response to Republican attacks on Judge Jackson and continue our work building a Democratic base of support?](#)
