Hello from Tricia Cotham!

Many of you know me as a former 10-year NC House member from Mecklenburg who was a fierce advocate for children and families. I am an accomplished CMS teacher and administrator, small business owner and a proud mom to two growing boys.

In recent months, I have shared that I have been battling long COVID. It has been a challenging battle, but I never back down from a fight. Every day, I hear from voters who want more action and decisive leadership from their elected officials.

With pride and humility, I stand on my successful 10-year record in the NC House, and I'm honored to say that I want to serve you, your family, and our community again in the new House District 112. I will be a voice for ALL people. My legislative record attests to this.

I can hit the ground running in the NC House on day one! I will proudly work with my Democratic colleagues to build a better NC by addressing the long-standing inequities in our county and in our state.

You deserve a legislator who has no learning curve, a proven record of experience, and will represent you immediately with passion, courage and abundance of legislative knowledge. My

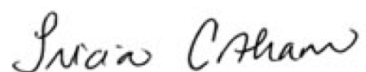

fight for you will be relentless and unwavering.

This campaign is short and early voting will begin April 28 and our primary is May 17. I ask for your precious vote and for your support.

My slogan when I first ran for the NC House was, "if you elect me to go to Raleigh, then we are ALL going to Raleigh!"

With your generous support, we will ALL go to Raleigh -- join me today!

Warmest regards,

Tricia Cotham
