Steve,

As we inch closer and closer to November, it's critically important that we continue to raise sufficient resources to support Democratic candidates running for office and organizations working to flip traditionally red states blue.

The midterm elections will be an important reckoning point for our country and we want to ensure that voters are turning out to elect Democrats to keep our country on the path of progress.

Today's Senate confirmation hearings for Judge Ketanji Brown Jackson's nomination to the Supreme Court are a preview of the kind of attacks that not only Judge Jackson, but many frontline Democrats are going to face in the weeks and months ahead.

We need a big response today in anticipation of the attacks Republicans will no doubt launch on Judge Jackson and Senate Democrats. [Can you pitch in right now to make sure we're prepared to respond?](#)
