#MoneyMagnetsClub In-Person Series for Spring/Summer 2022!

Due to the pandemic and an abundance of health and safety precautions we have limited our session to virtual ones, until now! While we will be observing continued, recommended measures to keep each other well while having fun, we will start to gather in April through the support of our new on-site partner Rally Charlotte and the Dr. Ophelia Garmon-Brown Community center in Charlotte's Freedom Drive corridor. Our first session will be our rescheduled Writing Lab session with Singer, Songwriter, Educator, Entrepreneur, Ms. Taylor Dee on April 21st. [Learn more and RSVP HERE](#).

#MoneyMagnetsClub celebrates being a Foundation for Black Philanthropy grantee!

We are grateful for the community and philanthropic support that we have received over the last year. This grant will help us focus on continued capacity-building for the organization as well as programming initiatives to deepen our relationships and impact across a greater swath of Charlotte's West Side. Having our work recognized in this way is humbling and allows us to do our work better and more widely.
