Hi there,

Our hearts continue to go out to all those affected by the escalating war in Ukraine.

Throughout the darkness and chaos, what continues to give us hope is seeing people come together to take action—including many of our Obama Leaders in Europe. We've compiled a growing number of stories that speak to the inspiring display of character and humanity that continues to be revealed during this crisis.

TAKE A LOOK

Please take a moment to get to know the people, organizations, and companies all over the world that have stepped up to support those in Ukraine and across the region. You'll also find ways you can support their work.
