Steve,

In addition to New Rural Project's anniversary month (yes, we're still celebrating!), April is Volunteer Appreciation Month! We want to take this opportunity to thank our dedicated, hardworking volunteers who have helped us connect with, listen to, and serve our rural neighbors. The work we've been able to do over the past year truly would not have been possible without your contributions and support, and we are so grateful.

This year, we are aiming to expand our reach even further – continuing to engage with and amplify the voices of the communities we serve. But to do this, we need to grow our team of volunteers.

VOLUNTEER

We have plenty of upcoming volunteer opportunities, including on-the-ground activities like [Front Porch Conversations \(deep canvassing\)](#), volunteering at in-person events, and also virtual opportunities like weekly [phone banking](#) every Thursday. We will soon launch text banking so stay tuned. We are also looking for a few self starter volunteers who could help with some office work type tasks and be willing to run some errands. We are a small organization and every hour that you might be able to lend a hand allows us to amplify our impact!

To positively affect the lives of even more rural folks and increase voter turnout in May, we hope you'll join our volunteer corps today!

Thanks for being a part of our team!
