Earth Day Events Highlight Climate Solutions

Happy Earth Day! Wow – it's been 52 years since the first Earth Day celebration! It's been a busy day with many observances and events showcasing the progress Charlotte is making in creating a sustainable, healthy city.

I was pleased to participate in the ribbon cutting ceremony that launched our new Charlotte fleet of electric buses! And the Bike to Breakfast event this morning was a fun event highlighting the progress of the Uptown CycleLink promoting human-powered biking.

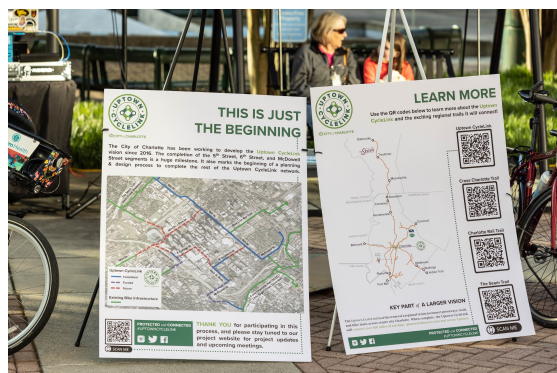

As Chair of our City Council Environmental

Committee, I've made championing sustainable infrastructure and a resilient future a priority!

However, there is still much to do to address the climate crisis and I very much want to continue the work I have started as your At-Large City Councilwoman. I humbly ask for your vote in the upcoming primary election.

Early voting begins April 28 and ends May 14. Click [here](#) for info on locations and times.

Sincerely,

Dimple Ajmera
