## A Big Thank You to Our Sponsors Who Celebrated With Us at Stevens Creek

We can't say it enough: THANK YOU to our Annual Sponsors! It was nice to see you again, too, in person. Stevens Creek showed off its stunning best, both inside and

outside, at our Spring Sponsor Celebration on March 24th. Read about our fun evening at the newest jewel in the Queen City's "emerald necklace" by the Mecklenburg County Park and Recreation Department: <https://partnersforparks.org/sponsors-2022/>

## Greenway Ride with Partners for Parks and Sustain Charlotte Brings Out a Crowd

Our first in-person collaboration with Partners for Parks and Sustain Charlotte was a resounding success! More than 70 people discovered what the newest link of Little Sugar Creek Greenway and the Cross Charlotte Trail has to offer, and what its next phase will offer soon. We believe our partnership with Sustain Charlotte supports our growing city in new and better ways for recreation and transportation, as Parks Build Communities and connect them! ## Fund of the Month: Greenways Funds

We're excited to spotlight some of our active local funds which can use your support! This month's fund group is our Greenway Funds - you can select from our main Greenways Fund or donate to the Greenway you use the most. Here's how you can donate and keep our greenways growing: <https://partnersforparks.org/greenways>

Partners for Parks set out in 2021 to make a very specific impact for equity and inclusion, and several events during the year brought us closer to our mission that Parks Build Community. We reached across zip codes to bring neighbors together in their neighborhood green spaces, while working with them to enrich their local parks and playgrounds. Your donations and sponsorships have made all the difference in making our mission come alive, and we need your support more than ever as we continue our momentum!
