Steve,

As a former judge and Chief Justice of the North Carolina Supreme Court, I want to be absolutely clear: abortion is a constitutional right that cannot be rolled back.

But reporting indicates that a politicized, right-wing majority of the Supreme Court intends to overturn *Roe* in full.

That is terrifying – and a direct attack on our freedom that demands urgent action.

The Senate's failure to eliminate the filibuster and codify *Roe v. Wade* to protect our rights is unacceptable. And we cannot back down. With our rights at stake, we must elect Senators who will expand our majority and protect our rights – and North Carolina is the best opportunity to do that.

My friend Jaime Harrison started Dirt Road PAC with states like North Carolina in mind — to help Democrats compete and not write off a single voter, no matter their zip code.

I promise you this: I will not hesitate to be that 51st vote to eliminate the filibuster and codify *Roe* into federal law. Reproductive freedom is a constitutional right. It is health care. It is economic freedom. It is justice.

Thank you for standing with us in the fight.
