Steve, I have an urgent update:

My potential opponent, Herschel Walker (R), just announced that he's raised nearly \$15 MILLION to defeat me and take back the Senate for Republicans.

Even worse, Mitch McConnell's super PAC is gearing up to *blanket the airwaves* in Georgia with a new, MULTI-MILLION dollar ad buy. You can bet the GOP will attack me with everything they have.

With recent polls showing me 1 point down, this surge in Republican spending could put us at a major disadvantage. Senate control is at stake in this race – and if we fail to fight back now, we could fall even further behind.

That's why we set a rapid-response goal to raise \$50,000 by midnight to pull ahead and WIN. But time is running out, and we're still coming up short. Please, Steve, I'm counting on you:

[Will you split \\$10 or more right now to Dirt Road PAC, founded by Jaime Harrison, and our campaign? Please chip in as much you can spare before our crucial midnight deadline so we can win in Georgia and defend our Democratic Senate majority.](#)
