### **Better Buildings for All Students: Capital Needs Assessment 2022-2031**

Charlotte-Mecklenburg Schools completed a review of school facilities with an emphasis on equity. Its results have helped us draft a plan -- a 2023 bond referendum for new school construction, replacement of old facilities, and renovation/expansion of current facilities.

The DRAFT plan is available for download below. We are seeking community feedback on the proposal. If your neighborhood/community group would like to host a presentation and discussion of the Capital Needs Assessment proposal, please [email me](#).
