#MoneyMagnetsClub Money Minutes

Welcome to the Summer 2022 #MoneyMagnetsClub Money Minutes newsletter!

Get the latest information, happenings, and updates with the organization, and learn about how you can get involved in our work. Thanks for reading!

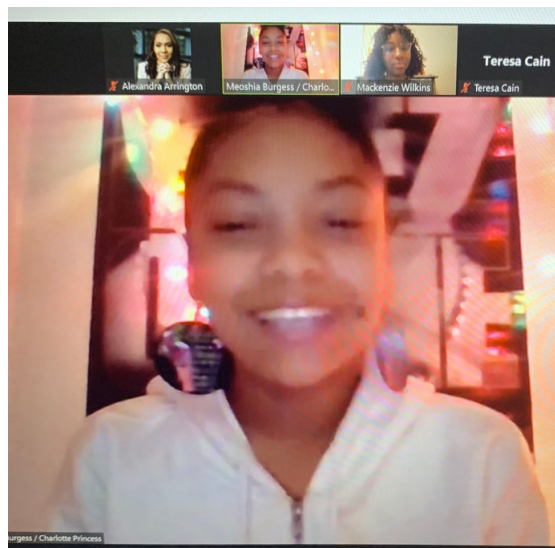

Our Spring/Summer program series is off to a great start! In addition to our virtual program series, we've been fortunate to return to in-person programs at the Ophelia Garmon-Brown Community Center in Charlotte's Freedom Drive corridor! This season we've had some wonderful entrepreneurs speak with our kidpreneurs-in-training about starting a business and following their passions.

We are honored to have such smart and capable kids choose to spend one hour of their time listening, learning, sharing, and having a great time as we pursue trying out entrepreneurship in many forms. Did you get a chance to join us? If not, look below to see some highlights from these past three months and be sure to RSVP for our upcoming programs.
