**Happy Father's Day!** I am so grateful for my late father who had the courage to start a new life in this country to benefit his children and who served as my inspiration and role model for caring and taking action for the common good.

I celebrate all the dads who are bringing home the bread, baking the bread, changing diapers, listening to and playing with and disciplining and loving their children! I am especially

appreciative for my loving husband who is a wonderful father to our daughter.

I know for fathers who have lost a beloved child, this is a bittersweet day. I admire the many fathers who have carried on and made a difference in the world to honor their child's legacy and to help make the future better for all our children.

One way to help create the future we desire for ourselves and future generations is to use our votes wisely. There is a general municipal election scheduled for July 26 with early voting beginning July 7. I encourage everyone to make use of the power of their vote.

I very much want to continue the work I have started as your At-Large City Councilwoman. I humbly ask for your vote in the upcoming primary election.

*Thank you!*

Sincerely,

Dimple Ajmera
