It's GAMETIME, Steve: the general election is officially underway in the most important Senate race of 2022! Catherine Cortez Masto (D) is facing off against Trump-endorsed Adam Laxalt (R) – and if she loses, it's game over for our Senate majority.

[That's why I'm personally asking you to split \\$10 or more right now between Catherine's campaign and Dirt Road PAC to keep Nevada and the Senate blue. Winning or losing will come down to your grassroots support, Steve.](#)

I just personally reviewed polling which shows Catherine TRAILING Laxalt by 3 points – in my expert opinion, she's the most vulnerable Democratic senator in America. Even worse, Mitch McConnell and his super PAC are spending \$18 MILLION on attack ads to crush Catherine's campaign at this critical moment.

I've worked on enough races to know McConnell's attacks will kill our chances of defending the Senate – unless Catherine can raise the resources to fight back in the next 24 hours.

[Chipping in \\$10 to split between Catherine and Dirt Road PAC is the single greatest thing you could do right now to ensure Democrats defend our Senate](#)

majority. Trust me, every dollar is going to make the difference between winning and losing in this race.

I've carefully reviewed every Senate race in the country and combed through countless pages of polling. So trust me when I say Catherine is the most vulnerable senator in America.

All the top election experts agree with me – from *The Cook Political Report*, to Nate Silver of *FiveThirtyEight*, to *National Journal*, to *Roll Call*. And unfortunately, Mitch McConnell agrees with me too. It's why he's unleashing an unprecedented attack ad blitz against Catherine.

The first few days of the general election are MAKE-OR-BREAK, and if Democrats like us fail to step up, McConnell's attacks will completely overwhelm Catherine's campaign in this crucial moment.

I'm counting on you. Steve: Will you become a general election founding donor and help us hit this goal so we can defeat Adam Laxalt, win in Nevada, and defend our Democratic Senate majority?

Thank you for stepping up!
