Good afternoon Dawn and Traci,

The attached information I feel will benefit your programs The Mayor' Youth Employment Program (MYEP) and Community Affairs.

Please share with your partners. This is UNC Charlotte initiative and the contact person is also attached to this email.

Thanks

Hey Terry,

Thanks for sharing this information to the masses. Through my nonprofit (**Strength in Numbers**) & **UNC-Charlotte**, we are

hosting a **free Sports Analytics Summer Camp** for underrepresented high-school students. The camp will be held at **UNCC Center City (July 12-15)**. I have attached a flyer for you to look at the details.

Sports Analytics is such a popular industry where STEM is essential. However, less than 10% of minorities & women work in sports. Members from **ESPN, the Charlotte Hornets & Carolina Panthers** will be there as well to participate in fun & educational activities; without the worry of financial expense. Breakfast, snacks, beverages & lunch is 100% covered by the camp.

If any other company or organization wants to be a part of this rare camp experience, they are more than welcome to reach out to me.

Thanks again Terry...
