# Women's Privacy and Autonomy Matter

Vote to protect safe, legal abortion and right to privacy!

I am dismayed by the Supreme Court's Ruling today that overturns the 1973 Roe v. Wade decision protecting access to safe, legal abortion. I trust women to make their own deeply personal and life-changing healthcare decisions. Reproductive choice is a matter of privacy, autonomy and pursuit of happiness that every one deserves.

Voters can return access to reproductive choice by voting in every election for pro-choice candidates. Local elections matter!  
*Local elected representatives often move up to*

*state and federal offices so know who you are voting for and where they stand on important issues like right to privacy, gun safety, fair elections and peaceful transfer of power!*

We can take back our power and our freedom to make personal decisions. Get behind organizations like Planned Parenthood Action, support pro-choice candidates and VOTE!

**If you or someone you know needs an abortion, Alex McGill Johnson (President of Planned Parenthood) says call 1-800-230-PLAN or visit [AbortionFinder.org](https://AbortionFinder.org).**

There is still much to do to achieve true equality for all. I very much want to continue the work I have started as your At-Large City Councilwoman. I humbly ask for your vote in the upcoming primary election.

Thank you!

Sincerely,

Dimple Ajmera
