Advisory: Adams Hosts Inaugural Men's Health Forum this Wednesday

CHARLOTTE – This Wednesday, June 29th, between 10:00 AM and 11:00 AM, the **Office of Congresswoman Alma Adams (NC-12)** will host its inaugural Men's Health Symposium. This symposium will raise awareness about healthcare for men and address diseases that disproportionately impact men, such as cancer, heart disease, diabetes, and depression. The discussion will focus on encouraging men to practice a healthier lifestyle in observance of National Men's Health Month (June).

The event is open to the public and open press.

Panelists include representatives from Mecklenburg Country, Novant Health, Carolina Urology Partners, and EY Americas' Center for Health Equity.

[Registration for the event is open to the public and media here.](#)

[Graphics advertising the event are available here](#), as well as a short description of the event.

Rep. Adams' remarks as prepared for delivery are available under embargo by emailing sam.spencer@mail.house.gov.
