Midterm elections are historically challenging for the party in power — and I won my last midterm race by just 1.7%. Tonight, the Colorado GOP will pick between two radical opponents who want to restrict abortion access, and National Republicans are already dropping their operatives across the state to flip my seat.

[My campaign is powered by folks like you, and soon I will face off against the GOP primary winner. So I'm personally asking you to split a donation between my campaign and Dirt Road PAC today.](#)

With your support and feedback, I banned surprise emergency medical bills; secured repairs for roads, bridges, that will create good-paying jobs, and expanded access to high-speed internet; and I'm continuing to fight to renew the expanded Child Tax Credit that lifted millions of kids out of poverty.

But right now, I'm facing attacks from my opponents here in Colorado and the National GOP, and the Republican National Committee is putting GOP operatives on the ground here in Colorado. But my team tells me, if everyone reading this pitches in a donation of any amount, we'll hit our goal in no time.

[So if you can, please split a \\$10 donation between my campaign and Dirt Road PAC to keep Colorado blue and defend our slim Senate majority.](#)
