Despite the GOP dumping over \$80 million into Ohio, a new poll that was JUST released shows us beating JD Vance 48 to 46.

JD Vance might have billionaire backers like Peter Thiel and Donald Trump to fund vicious attacks against us, but this proves we have what it takes to do the impossible and flip Ohio blue.

Look folks, we can't take this 2-point lead for granted. We've still got a tough fight ahead and Republicans will stop at nothing to win this race and snatch back the gavel for Mitch McConnell.

If we want to shock the nation, we need to raise \$100,000 this week to compete with the right-wing attacks and reach the swing voters necessary to win this race. That's why I'm personally reaching out to you today:
