With the completion of CYC's fourth school year, we have A LOT to be proud of and excited about! This past year, we continued to adapt to constant uncertainty in order to achieve some pretty remarkable impact. We added an entirely new cohort of CYC Freshmen, launched an innovative new scholarship program, and continued to leverage numerous partnerships to deepen our support for Fellows.

THANK YOU to our donors, Board of Directors, volunteers, community supporters, and all who you poured into CYC in 2021-2022. We are incredibly proud to share these results with you and look forward to your continued support as we scale to serve even more youth throughout our community!
