LAUNCH YOUR TECH CAREER

Are you interested in starting an IT career, but don't really know where to begin? Do you want to become a software developer or quality assurance analyst, but need an opportunity to break into the IT field? We're currently accepting applications for our **FREE [JavaScript course](#)** and **[IT Operations course](#) until August 17!**

JAVASCRIPT TRAINING COURSE

JavaScript is a scripting language for creating dynamic web page content.

In Goodwill's JavaScript course, students will focus on developing high-quality, functional software that solves real problems. Students will learn the core skills needed to successfully apply for JavaScript developer positions.

IT OPERATIONS TRAINING COURSE

In Goodwill's IT Operations

In Goodwill's IT Operations (Business Analyst/Quality Assurance) course, students will learn how to analyze and enhance the quality of technological products and services. Students will conduct hands-on exercises simulating real-world scenarios using leading methodologies.

LEARN MORE

ABOUT THE COURSES

The application deadline for both courses is August 17. Both courses are hybrid (virtual and in-person), start on September 19 and last for 12 weeks. Like all of our programs and services, these training courses are offered free of charge thanks to the community's donations and purchases.

HOW TO GET STARTED

Follow the steps below to begin your application and enrollment process. Please note that only people who live within our [18-county territory](#) can take our training courses.

- **STEP 1:** Complete [our intake form](#) (skip to Step 2 if you have already completed the form in the past).
- **STEP 2:** [Make a virtual appointment](#) to discuss your interest with a Career Navigator and learn the next steps.

If you'd rather start the process in person, we also accept walk-ins at our [Career Centers](#).

Building pathways that help people pursue the life they want to achieve!

See how you can make an impact today!
