Steve —

Democrats have passed historic legislation that will lower health care and prescription drug costs, make corporations pay their fair share in taxes, and make the largest investment to combat climate change in U.S. history.

**And not a single Republican voted for it.**

In fact, Republicans *voted against* capping insulin at \$35 a month.

It's an outrage. But in Pennsylvania, Wisconsin, North Carolina, Florida, Ohio, and more, **we have a chance to replace red Senate seats with Democrats who will fight for the people.**

Jaime Harrison founded Dirt Road PAC to help Democrats compete *everywhere*. With momentum on our side, we have a chance to not just protect our 50-50 Senate majority, but to expand the map and keep Mitch McConnell out of the majority.

[That's why we're asking you to rush \\$5 to Dirt Road PAC today — so we can continue our efforts to help Democrats hold the Senate and keep making progress. Please chip in today.](#)
