Amazing update, Steve: I had to reach out to my top supporters as soon as I saw this: *A brand-new poll shows me SURGING AHEAD of Marco Rubio!*

*This is the THIRD poll in a row that shows my campaign gaining momentum, and Marco Rubio is so PANICKED that he sent this PLEA to his supporters:*

Momentum is at a fever pitch and I'm gaining ground, but this race is well within the margin of error – so I need all hands on deck right now to make sure we carry this momentum all the way until Election Day. [So please: Will you rush \\$10 right now to split between my campaign and Dirt Road PAC to stop the GOP from turning Florida red permanently? This is our last, best chance!](#)

**ANOTHER AMOUNT**

My trajectory over these last few weeks has been incredible, Steve: Months of polls showed me trailing – but after I outraised Marco Rubio nearly 3 to 1 last quarter, TWO polls showed us TIED. That's when Rubio first started to get nervous (he even started BEGGING for donations on Fox News!).

There's absolutely no question that I can win this race and we can flip Florida blue. The problem is this: If I want to stay ahead and maintain this progress, I simply have to raise another \$250,000 before my midnight deadline tonight.

**The GOP is calculating their next attacks to defeat me as you read this email, so I can't fall short – not when this race will make or break our Senate majority.**

[Will you donate \\$10 to split between my campaign and Dirt Road PAC to help me keep up my momentum, defeat Marco Rubio and protect our Democratic Senate majority? In a race as close as this one, every single donation – including yours, Steve – makes a real difference.](#)

Thank you so much for helping me take the lead in this race. None of my progress would be possible without this team.

– Val Demings
