Hello Everyone,

Thank you again for your continued support of the Caregiver TLC Program. We wanted to update you on our current progress and upcoming events.

We are pleased to report that to date 177 Caregivers have registered to participate in the Caregiver TLC Program. We have also successfully completed 10 Caregiver TLC Workshops with two currently being scheduled for the Fall.

We would also like to thank Sheryl Gerrard and Jewish Family Services of Greater Charlotte and Leah Cooper and The Ivery for offering the Caregiver TLC workshops to caregivers in your organizations in efforts to embed the workshops and provide sustained support for caregivers in our community.

We would also like to thank Rebecca Gilbert, Associate State Director, Advocacy and Outreach of the AARP for taking the time to meet with us and discuss how we can best work together to support caregivers in North Carolina.

Finally, we would like to thank Dr. M. Reza Bolouri for speaking at the August Continuing Conversations Webinar scheduled for 8/26 at 10:00am(ET). Please see attached for the webinar flyer. As always, all are welcome to attend.

We also plan to offer another training for those interested in facilitating the caregiver TLC Workshops. Please let us know if you or others in your organization are interested and we will send the schedule of training sessions when finalized.
