I have to be honest, Steve: I'm concerned.

CNN reports that me and my friends Catherine Cortez Masto (NV), Maggie Hassan (NH), and Mark Kelly (AZ) are the most vulnerable Senate Democrats on the ballot in November. Since Republicans only need to flip *one* of our seats to retake Senate control, they're pulling out all the stops to defeat us.

Now, with less than 90 days to go until Election Day, polling shows our races are neck and neck — and Mitch McConnell's super PACs are spending millions to blanket the airwaves with nasty attack ads against us to tip the scales in the GOP's favor. We *cannot* let them gain the upper hand.

That's why I'm directly asking for your help today. The only way we can counter the GOP's attacks is with an immediate surge in grassroots support. So please, Steve: [Will you give \\$10 or more right now to help us win our critical Senate races and help Dirt Road PAC protect our majority?](#)

It's no secret how much is at stake this November. Reproductive rights, voting rights, health care, our very democracy — it's all on the line. So with experts at *Politico* saying that the GOP is favored to retake control of the Senate, we need to turn things around — fast.

The fact of the matter is this: We can't keep the Senate blue unless we protect these Democratic seats. But we're running out of time to counter McConnell's massive attack ad blitz and pull ahead in this final stretch. So please, Steve, I'm counting on you to step up right away.

[Will you chip in \\$10 or more now to help defend our critical Democratic Senate seats so we can hold onto our majority and keep delivering for the American people?](#)
