PROGRAM
Starts
JULY 1ST

Own your home?

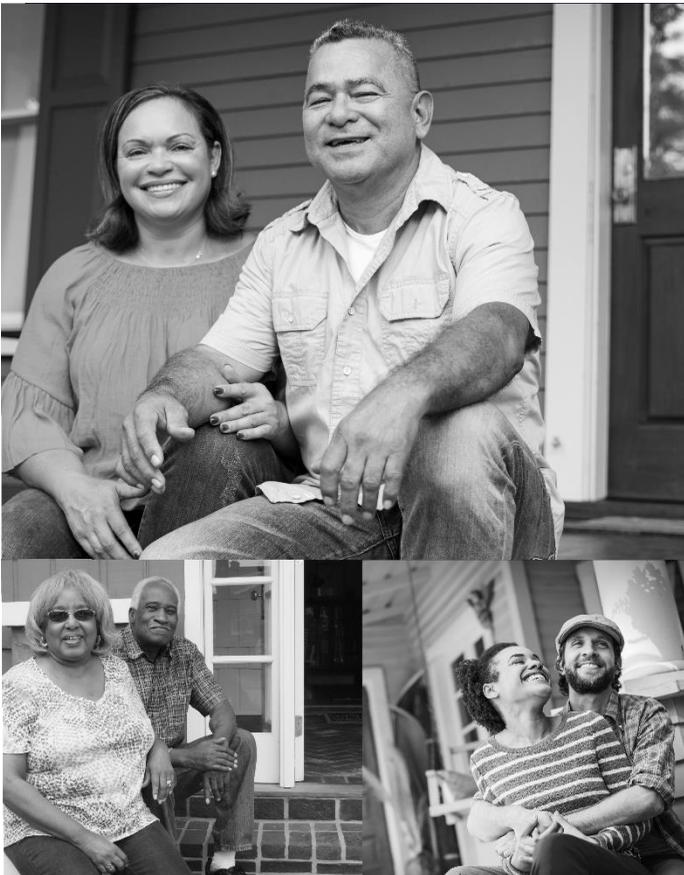

You could be eligible for the HOMES program. Our easy, one-page application could save you up to \$340 this year.

Apply for the HOMES program by November 18, 2022.

HOMES is a program created by Mecklenburg County to help local homeowners with general cost-of-living increases. Why? Because we know how important homeownership is — and this is one way we can make a difference for our residents.

What is the HOMES program?

The HOMES program offers qualifying Mecklenburg County residents an economic assistance grant that helps reduce the cost of owning their home. Whether your home is fully paid off or you currently have a mortgage, a HOMES grant of up to \$340 can help you breathe a little easier. New applicants and previous recipients are encouraged to complete and submit the easy, one-page application by November 18th.

Who is eligible for the HOMES program?

Mecklenburg County homeowners who have:

- Lived in their home for at least the last three (3) years
- A qualifying total household income level — please see mecknc.gov/4HOMES for details
- No more than one delinquent tax bill in the last three (3) years

There is **NO AGE REQUIREMENT**, and your house does not have to be paid off!
