Summer Literacy Infusion model shows strong results

Summer learning loss is a very real and well-known problem, and one that Read Charlotte and the YMCA of Greater Charlotte were eager to address. An opportunity to do that arose in 2016, when Read Charlotte learned of a model called Summer Literacy Infusion (SLI).

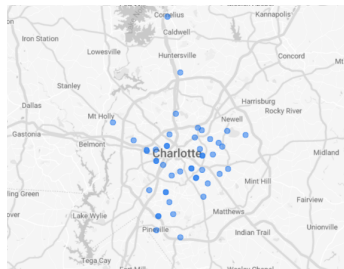

In the years since, the SLI model has become a significant part of the local summer learning landscape, and has shown strong results.

[Click here](#) to read more about how it's being used locally to help stop the summer reading slide.

Tutors needed for upcoming school year

Tutors are needed as we head into the 2022-23 school year!

Visit our [Tutoring Dashboard](#), which helps connect partner organizations looking for tutors with volunteers looking for tutoring opportunities, to find opportunities near you.
