This is important, Steve, so I'll get straight to it:

Donald Trump came to Georgia *twice* to rally the GOP base for my opponent, Herschel Walker (R). They know Senate control could be decided by our race, so they're pulling out all the stops to defeat me.

Experts say this is the race that could decide Senate control, and *Politico* reports that our chances of winning will come down to whether we have enough critical resources to take on the GOP.

I'm running this campaign the right way, without a dime from corporate PACs. But that means I'm fully relying on grassroots folks like you to power our movement to victory – and with polling showing me *1 point down*, we have zero room for error.

That's why I'm urgently asking for your support: [Will you chip in \\$5 or more now – as much as you can spare before midnight – split between our campaign and Dirt Road PAC so we can win in Georgia and keep the Senate blue?](#)
