Please allow me to introduce Judge Gale Adams who is running for the N.C. Court of Appeals. She has served as a U.S. Navy JAG, Assistant District Attorney, Assistant Federal Public Defender, and is currently serving as a Superior Court Judge in Cumberland County. In November, she will face a Republican incumbent. She would welcome the opportunity to join one of your meetings or to attend an event in your area where she can personally meet and engage with the voters. Please let us know of any such opportunities. You may also visit her website to learn more about her at: JudgeGaleAdams.com. She hopes to see you soon. Thank you.

JUDGE Adams
for COURT of APPEALS

**Balanced Perspective,
Balanced Courts**

I am running for the North Carolina Court of Appeals to promote balance in our courts. If our three branches of government are to operate justly and fairly, our system of checks and balances must function as originally designed. Our judicial system, therefore, must operate independently, objectively, and equitably. As judges, we must fulfill our paramount charge to administer equal justice for all. We should provide nothing less and the citizens of North Carolina should demand nothing less.

JUDGE Adams
for COURT of APPEALS

Raised in the tobacco fields of Warren County by a single mother of four, I learned, at an early age, the importance of hard work. I watched my mother struggle to provide for her four children while instilling in us the importance of having faith, staying focused, and finishing what you start.

Military Service Matters
I served my country in the United States Navy as a Judge Advocate General (JAG).

Experience Matters

- ✓ Assistant District Attorney
- ✓ Assistant Federal Public Defender

Resident Superior Court Judge Cumberland County

My diverse experience broadens my perspective and equips me to fully consider matters before me from various aspects before making a decision. My constant goal is to produce a sound, reasoned, and just result for all parties.

PAID FOR BY THE COMMITTEE TO ELECT GALE ADAMS

Thank You,
