Hey team, it's Josh Shapiro.

Today, Donald Trump is in Pennsylvania campaigning for my dangerous opponent, Doug Mastriano.

Pennsylvania is no stranger to these two — in 2020 they worked together to try to overturn the results of a free and fair election. When that failed, Doug Mastriano took matters into his own hands and bused people to the Capitol on January 6th. When the police told rioters to stand down, Mastriano crossed their barricades — defying the orders of law enforcement.

[Look, Steve, we have to get everyone off the sidelines and in the game if we are going to defeat Doug Mastriano on Election Day. Will you chip in today to combat the surge that Mastriano will get from Donald Trump and to Dirt Road PAC's mission of supporting Democrats running up and down the ballot?](#)

The reality is that Donald Trump is gunning for Doug Mastriano to be Pennsylvania's next Governor for one reason: Doug will do *anything* to make sure that Trump wins in 2024.

Whether that means decertifying the results, de-registering all 9 million Pennsylvanians currently on the voter rolls, or banning vote-by-mail – Doug and Trump are in lockstep about dismantling our very democracy.

[So, Steve, we need your help to make sure that Pennsylvania never has to see Doug Mastriano become our Governor. Can you rush a donation to help get our message to every voter across Pennsylvania and to Dirt Road PAC's mission of supporting Democrats running here in Pennsylvania and across the country?](#)
