Steve,

Joe Cunningham here, I am the Democratic nominee for Governor of South Carolina. I'm about to tell you something that's gonna completely blow your mind — the truth about our state. But before I do that I need your help to keep our general election campaign going strong, [can you donate \\$10 or more to my campaign and Dirt Road PAC today?](#)

Our Governor and my opponent, Henry McMaster, has been in politics longer than I've been alive. Literally.

And where has it gotten us? South Carolina is near the bottom when it comes to schools and teacher pay, we're dead last in roads, McMaster's abortion ban is closer to becoming law and crime is the highest it's ever been. If Governor McMaster was a coach in the SEC, he'd have been fired a long time ago.

So here's my point... the folks who are making a career out of politics are making a mess out of our country and our state.

[I'll bring new blood and new ideas to the table. That is why I need your help. Can you donate \\$10 to help? We're going to need everyone's help if we want to retire McMaster.](#)

Bottom line... our leaders have become too extreme and commonsense seems to be a stranger in government these days. If we want new ideas, we need new leadership.

Our campaign is not a contest between Democrats and Republicans or left versus right.

It's about the past versus the future.

First versus last.

New ideas versus no ideas.

[That is why I'm asking for your support. Can you click here and donate \\$10 before the end of the day so Dirt Road PAC and I can prove our strength in November?](#)

Thanks for all you do,

Joe
