Top GOP Senate super PAC spending \$23 million to target Hassan in battleground New Hampshire
- Fox News

Steve:

A GOP super PAC just dumped another \$23 million into this race — a MASSIVE spend that will drown us out on the airwaves.

[Can you split an emergency contribution of \\$10 between my campaign and Dirt Road PAC right now?](#)

This new ad buy brings the total the GOP is spending to defeat me to over \$53 million — outspending us 2:1 in the crucial final weeks of this election.

The GOP is pulling down ads in other states to focus on New Hampshire, confirming that I'm a top target for Mitch McConnell in the battle for control of the Senate.

We must protect this seat, and we can't do it without you. [Can you split a donation right now between me and Dirt Road PAC to help us fight back and hold the Democratic Senate majority?](#)
