ULCC Win of the Week

Thanks so much to Vision To Learn for providing free exams to K-12 students with a demonstrated need for glasses. There were big smiles after students were fitted for their glasses and finally able to see what they've been missing! The mobile exam van was also a fun attraction to our new neighbors at the Digital Innovation Center East. **Your contributions to Project Ready or ULCC's Empowerment Fund help provide life-enhancing support for students and families. Give Today!**

More Good News at ULCC

The **Empower Academy class** is in session at ULCC-Main! Before beginning a certification class, clients must first complete this four-day course designed to highlight the importance of developing "soft-skills." Instructor and ULCC Empowerment Advocate, Darlene Whitfield, gives students tips and tools for successfully keeping a job after getting hired.

Your gift TODAY will help us continue offering needed workshop opportunities to ULCC clients seeking better career options.
