Steve, this is an emergency.

In a few hours, Donald Trump will take the stage for his MAGA rally to campaign for JD Vance.

UMM... does Trump remember that Vance hates him? Seriously, he once said "I'm a Never Trump guy. I never liked him." HA, how embarrassing.

Look, it's clear Republicans will stoop to the lowest of lows to win this seat and retake Senate control — and we're expecting this rally to get UGLY. Trump is firing up his base and we've got to counteract their momentum.

[Can I count on you to split a donation between my campaign and The Ohio Democratic Party so we can immediately fight back against their attacks? We need to raise \\$100,000 before their bogus rally.](#)

**DONATE TODAY**

Polls are tied and Trump and his MAGA allies are TERRIFIED of losing this seat because they know their only path to Senate control depends on keeping Ohio red. That's why they're flooding Ohio with money, rallies, and attacks.

JD Vance will rake in serious cash after Trump's visit, and you can bet every dollar will go toward smear campaigns against me. So, we've set an ambitious goal of raising \$100,000 toward smear campaigns against me. So, we've set an ambitious goal of raising \$100,000 before his rally, and we need you to make a contribution of any amount to help us get there. This race couldn't be any closer, and Trump's visit could change everything. The worst thing we could do now is to underestimate the damage they could do.

I can't do this without you.
