Civility Localized Newsletter

Welcome back to the Civility Localized Newsletter and welcome to the Fall season. We are busy wrapping up a packed summer season that included a full company rebrand, expanding our team, and moving into a [new office](#) space in Charlotte's NoDa neighborhood. Wow! Time truly does fly when you're having fun.

One thing that remains the same is that you all stayed engaged and I want to personally thank you for that. From highlighting our latest client project for the future of arts and culture in Charlotte-Mecklenburg to sharing information about voting in our local elections, you chose to stay plugged in and participate. Many, many thanks!

Although our content specialist, Elizabeth, has been expertly managing the biweekly newsletter, online content, and our brand, it's important that you know I remain available to hear from you. What are your communities greatest needs - Charlotte and beyond? How can we create more equitable engagement opportunities? Reply to this email and let me know. The only way to get better is to hear from you and your organizations. With that said, are you ready to get involved? Let's dive in!

Yours in service,

Christine Edwards, MPA (she/her/hers)
