

Stopping Lindsey from becoming Chairman Graham

Steve:

Dirt Road PAC's founder Jaime Harrison built a nationwide movement that took on Republican Senator Lindsey Graham and spurred voter enthusiasm across the country to take the Senate majority back for Democrats in 2020.

The work Jaime started has never been more vital than it is now to stopping Senator Graham from becoming *Chairman Graham* in a GOP Senate majority and bringing his 15-week nationwide abortion ban to a vote.

Together, entirely through emails asking for grassroots contributions like this one, we've raised nearly \$250,000 — *a quarter of a million dollars* — for Democratic candidates, state parties, and grassroots groups that are engaged in the fight not only to defend our 50-50 Senate majority, but to build Democratic power all the way down the ballot.

Our project is about more than one campaign or election cycle — it's about putting in the work of investing in year-round grassroots organizing, data and digital tools, and voter registration.

Our mission? To build the Democratic Party wherever there are crumbling schools, shuttered hospitals, and along dirt roads like the ones Jaime traveled so often while running for Senate across South Carolina.

[Steve, please make a contribution of whatever you can afford to Dirt Road PAC today so that we can keep supporting Democratic candidates running to defend and expand our Senate majority from Lindsey Graham and Mitch McConnell's GOP this fall, and so much more. Your support makes a big difference.](#)
