Steve — I want you to hear this from me first: *MSNBC* expert Steve Kornacki just reported on a brand-new poll that shows me 2 points down against my opponent Herschel Walker.

With *FiveThirtyEight* saying our race will likely decide Senate control, we have absolutely zero room for error. [Will you give \\$10 or more to my campaign and Dirt Road PAC before our upcoming deadline so we can keep Georgia and the Senate blue?](#)

Donald Trump, Mitch McConnell, and the GOP know that if Democrats lose in Georgia, we'll lose our Senate majority – so they're coming after me as their top target for defeat.

Trump has hosted megadonor fundraisers and rallies to prop up Walker, and McConnell is flooding this race with millions to flip Georgia red. *Now, polling shows this seat – and our majority – at serious risk unless we act ASAP.*

I know we can turn the tide and pull ahead – because we've done it before. But unlike Walker, I'm running this campaign without a cent from corporate PACs, so your grassroots support is the only way I can win.

[Please, Steve, I'm personally asking: Will you chip in \\$10 or more before our midnight deadline to my campaign and Dirt Road PAC so we can defeat Herschel Walker, win in Georgia, and keep the Senate blue?](#)
