We have National Republicans worried, Steve.

Just last week, McConnell's super PAC upped their ad buy to \$28 million, and then Donald Trump announced a rally for his hand-picked candidate today.

But that's not all. Marjorie Taylor Greene and Lauren Boebert also announced that they will be in North Carolina this weekend trying to fire up the far-right base.

They're sending all their resources to North Carolina because they know we have the grassroots support to win this race.

So now I'm asking: [Can you please split a \\$10 donation between my campaign and Dirt Road PAC to ensure we have the resources to respond to the attacks coming our way and flip this seat?](#)

They are sending everything they have our way to hold this seat. The people in his corner show you exactly who Ted Budd is — a DC insider backed by limitless sums of corporate special interest money who shares the same agenda as the most extreme conspiracy theorists there are.

They will spend and say absolutely anything to defeat us.

It's our job to stand together and stop them, and your donation today will go a long way in that effort.

[Split a \\$10 donation between my campaign and Dirt Road PAC to help us fight back and flip this seat. Do it to defeat Trump's hand-picked candidate and expand our Senate majority.](#)
