Steve,

National Republicans are flooding South Carolina's radio, television, and digital airways with ads attacking our Democratic candidates, and we're relying on your support to help us compete.

South Carolina Democrats launched a television ad that calls McMaster and his allies out on voting for an extreme ban on abortion. **We need to put this ad on blast and make sure every voter knows about McMaster and the GOP's anti-woman agenda.**

Watch the ad now, then, split a donation between the Dirt Road PAC and the South Carolina Democratic Party to keep this on television >>>

If you've saved your payment information with ActBlue Express, your donation to the South Carolina Democratic Party and Dirt Road PAC will go through immediately:

ANOTHER AMOUNT

Look, there's only one reason the GOP would be pumping this amount of cash into South Carolina: they are terrified of Joe Cunningham and Tally Casey's vision of a state with more freedoms, fewer taxes, and better roads.

Republicans have proven time and again that they cannot govern. They can only divide us, scare us, and hope that we hate our neighbors more than we love our rights. That's not the South Carolina I know.

Thanks for helping me put an end to McMaster's rampage.

Clay Middleton
