#MoneyMagnetsClub Money Minutes

Welcome to the Fall 2022 #MoneyMagnetsClub Money Minutes newsletter!
Get the latest information, happenings, and updates with the organization, and learn about how you can get involved in our work. Thanks for reading!

Our Spring/Summer program series was a blast! We've had some wonderful entrepreneurs speak with our kidpreneurs-in-training about starting a business and following their passion.

We've been honored to have such smart and capable kids choose to spend one hour of their time listening, learning, sharing, and having a great time as we pursue trying out entrepreneurship in many forms. Did you get a chance to join us? If not, look below to see some highlights from our series.

Spring/Summer 2022 Past Program Highlights

We had Ms. Francina of [Create with Class](#) speak with our kidpreneurs about starting their own craft and confection business. Our kidpreneurs-in-training even got to try their hands at decorating their own confections.

Ms. Ayesha of [Beary Sensitive](#) spoke with our kidpreneurs about starting a business with skin safe ingredients and creating products that sell.

Mr. Mason taught us all about value added products and how we can grow our very own right at home! Every got to take home plants we re-potted and some honey from the [3 Sisters Market](#).
