Steve —

I'm coming to you this afternoon with a humble request.

Can you please split a contribution to my re-election campaign and Dirt Road PAC before the last FEC fundraising deadline before Election Day tonight? Please use this link to give:

If you've been waiting for the perfect time to make a donation to my re-election campaign, I'm here to tell you today is the day.

Because tonight at midnight, this public reporting period is over and we're heading into the final stretch of this campaign. We need as much momentum as possible to show Trump and our opponent that this won't be an easy seat to flip.

The polls are showing my opponent trailing me by just **ONE POINT**. The entire GOP establishment knows how competitive this race is, so they're dumping millions into this race at the last second. If we fall short of our goal tonight, they could spend even more to take back this seat. That could be the difference between winning or losing in November.

So please, I'm asking humbly:

[Can you please split a contribution between my re-election campaign and Dirt Road PAC before the FEC fundraising deadline comes to a close tonight? I wouldn't ask if it weren't so important.](#)
