CODE RED UPDATE FOR YOU, Steve:

Ted Cruz has come all the way to Nevada for a MASSIVE GOP rally to defeat Sen. Catherine Cortez Masto (D) in the race that will decide Senate control!

Cruz and a slew of other extremist wackos (Donald Trump, Mitch McConnell, Ron DeSantis, you know the type) are doing everything they can to flip this seat because they know Senate control depends on it — and everybody from the *New York Times* to *CNN* is reporting that Catherine is THE most vulnerable senator on the ballot.

What we do RIGHT NOW will decide the future of our country. With the Supreme Court trampling over our rights and pushing an ultra-conservative agenda, the Senate is our LAST line of defense. **And I'm telling ya, there ain't no chance in hell we can defend the Senate if Catherine loses in Nevada!**

On top of Cruz and other wackos barnstorming through Nevada, Mitch McConnell's Super PAC is going LIVE across Nevada airwaves with \$23 MILLION in ads attacking Catherine, which is why we've launched an emergency \$50,000 goal to fight back. **If Catherine misses this goal, our chances of holding the Senate are DEAD.**

[That's why I'm counting on you to split a donation of \\$10 between Catherine and Dirt Road PAC right now! We need your grassroots donation to fight back against Cruz, Trump, and McConnell and to SAVE our Senate majority.](#)
