Steve, this latest news has me worried:

My GOP opponent, Herschel Walker, just announced that he's raised more than \$30 MILLION to defeat me and take back the Senate for Republicans.

To make things worse, we just fell short of yesterday's fundraising goal, right as Walker and the GOP establishment are blanketing the airwaves in Georgia with TV ads.

With experts at *FiveThirtyEight* saying Senate control could be decided here — and polls showing me neck and neck with Walker — this rush in Republican spending could put this seat and our entire majority in serious danger.

That's why we need to make up our budget shortfall ASAP to fight back against GOP attacks, pull ahead, and win. But time is running out, and we're still coming up short. I'm counting on you:
