New RURAL PROJECT

Steve,

We're excited to announce that **New Rural Project** has joined [Be The Ones'](#) program, **Vote Local Day, on Saturday, October 8th, and hope you will join us!** Vote Local Day is a nonpartisan free virtual event designed to give you information, knowledge and tools so you're ready to vote in local races this November and empower you to embrace your power locally.

- All events will take place over Zoom between the hours of 11 am - 5 pm EST / 10am - 4pm CST / 8am - 2pm PST. You can come and go as you please and there is no expectation for you to attend the entire day (although you may want to once you see who is joining us).
- The event is FREE and welcomes anyone across the country (voters, nonvoters, new voters, long-time voters, community organizers, business leaders, activists).
- Each session will be 20 minutes with 2 longer sessions (~45 minutes)
- Vote Local Day is a nonpartisan gathering

[Will you join us on Saturday, October 8th for Vote Local Day? Did we mention it's FREE and VIRTUAL \(hello, Saturday sweatpants\)?](#)

You'll hear and learn from change makers & local leaders from organizations such as VoteRiders, Deliver My Vote, and the National Institute for Reproductive Justice who are making real progress in our communities. Short conversations & trainings will explore the intersections of local elected leaders' jobs, issues like reproductive justice & voting access and how we can, collectively, shape the communities and democracy we want to be a part of. And, there will be surprises and prizes! (yes, we said prizes!)

In order for democracy *to* work, we have to know *who* and *how* to make it work. And, we have to do it together. That's what **Vote Local Day** is all about!

Warm regards,

Team New Rural Project
