Steve — after last night's debate, I've never been more ready to flip Ohio blue!

I went toe-to-toe with JD Vance and walked away feeling confident and proud of our Democratic campaign. I know we've got the energy, the strategy, and YOUR grassroots support on our side to win the race that will decide Senate control.

Victory is in sight, but early voting starts TOMORROW — which means our window to reach undecided voters is closing.

[Can I count on you to chip in a \\$10 donation right now to help us hit our \\$100,000 24-hour Post-Debate goal? GOP super PACs are about to spin my words and turn my reputation into their punching bag and we need to be able to punch back.](#)

JD Vance is too dangerous to represent Ohio in the Senate and he proved that again last night.

I can't believe JD twisted abortion rights into an immigration issue and couldn't even name one thing that Donald Trump has done that concerns him.

We've got to fully-fund our Rapid Response efforts right now to spread the word that JD Vance is all-wrong for Ohio and that I'm ready to go to bat for working families in the Senate.

JD and his GOP super PAC supporters are outspending me 300% on TV. We've got to build up the resources to even the playing field and grow our narrow lead.

[I need this team to be ALL-IN for the next 4 weeks, and that includes you, Steve. Can you chip in a \\$10 donation, split between my campaign and Dirt Road PAC, to help my team hit our post-Debate fundraising goal? It'd mean a lot to me. Ohio will ultimately decide if we expand the Democratic Senate majority on Election Day.](#)

Let's do this!
