Steve,

When Alabama Sen. Tommy Tuberville (R) showed up to Donald Trump's MAGA rally in the former "sundown town" of Minden, Nevada this month, he was the latest in a long line of Republican politicians whose off-the-cuff racism has dominated GOP politics this midterm election:

Tuberville, who made his millions as the head coach of college football teams made up of unpaid, majority Black athletes, said to the MAGA crowd:

*"They want crime. They want crime because they want to take over what you got. They want to control what you have. They want reparations because they think the people that do the crime are owed that."*

Steve, this is why we can never, ever afford to write off a single state or community.

This is who Republicans chose over former Democratic Sen. Doug Jones in 2020.

*This is why Jaime Harrison founded Dirt Road PAC — to organize and mobilize our communities and build the Democratic Party wherever there are crumbling schools, closing hospitals, and dirt roads that neither party has paved in generations.*

To elect more Doug Joneses and to defeat the Tommy Tubervilles that the Republican Party wants leading the nation.

It's not just Tuberville.

It's Marjorie Taylor Greene, Blake Masters, and JD Vance's promotion of white nationalist conspiracies about immigration.

It's Republican attack ads labeling Senate candidate Mandela Barnes (D) in Wisconsin

as "dangerous" and "different."

It's GOP nominee for governor of Pennsylvania Doug Mastriano paying a far-right social media site and their founder as a campaign advisor — the same site where the Pittsburgh synagogue shooter posted an antisemitic rant before killing 11 people.

It's Trump himself and his countless incendiary comments.

There has never been a more racist, xenophobic, antisemitic Republican Party than the MAGA supporters making it up today — and the politicians like Tommy Tuberville who will do Trump's bidding. **We need your help to fight back.**

[Please, rush \\$10 or whatever you can spare today to help us organize and mobilize to build the Democratic Party from the grassroots to fight back against Republican bigotry.](#)

Thanks for adding your support. Together we can fight back and defeat the scourges of intolerance that have taken over the MAGA Republican Party.
