Greetings:

I attended meetings in the district to continue to inform the community of happenings from the General Assembly and to address the needs of the community.

Joyce Waddell

Loan Forgiveness

North Carolinians whose student loans are forgiven by the federal government will still have to pay state taxes on the loan money they would have paid. There is a hope that the General Assembly could change that. Student debt forgiveness is a policy of the President's administration.

In late August, the state Department of Revenue announced that while the loan forgiveness plan exempts borrowers from paying federal taxes on those forgiven loans, the same does not apply to state taxes.

100 Black Women

Senator Waddell congratulates the new president of 100 Black Women. The Mecklenburg delegation participated in a forum sponsored by 100 Black Women.

NAACP

Senator Waddell congratulates Marcus Bass as he accepts the President's Award from President Minister Corine Mack at the 2022 Freedom Awards Banquet.

ACC Headquarters

The Atlantic Coast Conference office is moving to Charlotte, preserving the league's North Carolina roots but departing the city of its origin. The ACC commissioner informed Greensboro Mayor of the decision Tuesday morning.

North Carolina legislators have budgeted \$15 million for the ACC if the league remains in the state for 15 additional years and, by 2034, stages a set number of conference championships in North Carolina. That requirement includes at least four men's basketball tournaments, two in Greensboro, four women's basketball tournaments, four baseball tournaments and 20 other championship events.

Voting Importance

Senator Waddell is pictured with members of the International Minority Coalition and others at an early voting community site discussing the importance of voting.

Las Amigas Pageant

Senator Waddell is Mistress of Ceremonies at the Las Amigas pageant and congratulates the winner.

Senator Waddell is working tirelessly for Senate District 40, but she cannot do this alone. Many of her precincts have changed which makes the election much more competitive. In November she will have an opponent running against her. Can she count on your help to continue working for the district?

Early Voting

The leaves are changing and fall is in the air. There are many college homecomings happening around the area, so be careful and make sure if you have any hesitancy - wear your mask.
