Today's the day, Steve! President Obama is holding a rally in Georgia to help us fire up voters in this critical final stretch, keep the Senate blue, and continue making progress for our country. [If you're as fired up as I am, will you split \\$10 between Dirt Road PAC and my campaign right now so we can hit our pre-rally goal and win in Georgia?](#)

Here's the deal: With *FiveThirtyEight* saying that our race is the key to Senate control, polls still show me and Herschel Walker neck and neck. That's why GOP donors are pouring \$30 MILLION into Walker's campaign to tip the scales against us in these final days.

We need to fight back immediately, or else Georgia's Democratic seat and our entire Senate majority could be in serious danger. **That's why we set an ambitious goal to raise \$1 million before President Obama takes the stage tonight — but with time running out fast, we're still falling way short.**

I don't take a dime from corporate PACs, Steve, so I'm fully relying on your grassroots support in this make-or-break moment: [Will you split \\$10 or more right now between me and Dirt Road PAC so we can hit this goal, keep Georgia blue, and defend our Senate majority?](#)
